- 10.17 **Payment by Third Party.** If You arrange with Us or instruct Us that Our charges are to be paid by a third party, and if that party does not pay the charges within 14 days of the date set for payment or, if no date is set for payment, within 14 days of the date of invoice, You agree to thereupon pay the charges.
- 10.18 **Default Charges.** If amounts are outstanding from You to Us for more than 30 days, We will be entitled to charge interest at the ANZ Bank's maximum personal overdraft interest rate for amounts not exceeding \$100,000, calculated on monthly rests.
- 10.19 **Recovery and Legal Costs.** You indemnify us for any additional cost(s) incurred by Us, as a result of Us having to recover overdue or outstanding monies from You, including our legal costs on an indemnity basis.
- 10.20 **Contractual Liens.** All Goods received by Us will be subject to a general lien for any moneys due by You to Us relating to any Services provided under this Agreement or any other agreement. Without prejudice to any other rights which We may have under this Agreement or otherwise at law, if any amounts have been outstanding for a period of 26 weeks, We may give 28 days' written notice to You of intention to sell, and if the outstanding amount is not paid within that period, We may SELL ALL OR ANY OF THE GOODS and exercise any other rights We have relating to the sale of the Goods and apply the net proceeds in satisfaction of the amount due.
- 11 Liability for Loss or Damage**
- 11.1 **Australian Consumer Law.** Except where the Services are required by You for the purposes of a business, trade, profession or occupation in which you are engaged, this Agreement will be subject to the guarantees set out in sections 60, 61 and 62 of the Australian Consumer Law (as enacted as Schedule 2 of the *Competition and Consumer Act 2010* (Cth)) being, in particular, a guarantee that the Services will be rendered with due care and skill and the following conditions of this clause 11 shall apply.
- 11.2 **This Agreement in Addition to Australian Consumer Law.** This Agreement is in addition to any other rights or remedies that you may have under the Australian Consumer Law. Those additional remedies remain to the extent that they cannot be excluded. To the extent that they can be excluded they are. Where they cannot be excluded then such rights and remedies are modified to the extent permitted by law.
- 11.3 **Beyond Our Control.** We will not be liable for any loss or damage nor any delay which results from any cause beyond Our control, including any loss or damage occurring in the course of the provision of Ancillary Services by Third Party Providers. We will not be liable for loss or damage to the Goods caused or contributed to by You or someone else that We are not responsible for at law.
- 11.4 **Negligence.** We will only be liable for the proportion to which the loss or damage to the Goods is caused by or contributed to by Our negligence (including the negligence of any Subcontractor, but excluding the negligence of any Third Party Provider).
- 11.5 **Exclusions from Liability for Damage to Goods.** In addition to any exclusion contained elsewhere in this Agreement, we will not be liable for damage to the following items:
- 11.5.1 **Identified Risks.** Where in our view the existing condition / circumstances of any of the Goods indicate that damage to the Good might be unavoidable (despite using due care and skill in dealing with the Good), then before dealing with the Good we will notify You and list that item in the move documentation. If You instruct or direct Us to move the Good notwithstanding this listing/notification, and loss or damage is caused to the Good, then We will not be liable.
- 11.5.2 **Inherent Risk.** Certain Goods (including electrical and mechanical appliances, LED lights, printers, scales and computer equipment, scientific instruments, musical instruments, pressed wood and flat packed furniture, plant pots, terracotta, ceramic, porcelain, stone, marble, granite and glass items) are inherently susceptible to suffer damage or disorder upon removal no matter how carefully they are handled. We will not be liable for any damage caused to such Goods..
- 11.5.3 **Lost, Stolen or Misplaced Goods.** If We (and/or Our Subcontractor) have not packed the Goods for You, We will not be liable for lost, stolen or misplaced Goods. This
- exclusion of Our liability to You does not apply if You instructed Us to undertake an inventory prior to the commencement of transit or storage, and there is evidence that We (or Our Subcontractor) failed to reasonably secure the Goods whilst they were in Our custody or care.
- 11.5.4 **Unknown Risks.** Where loss or damage to the Goods arises from conditions or things which are not known to Us and should not have been reasonably known by Us (for example from a defect to either goods or property that is not immediately obvious), then We will not be liable to any loss or damage to the Goods caused by the unknown condition.
- 11.5.5 **Unavoidable Risks.** Where moving an item (such as pot plant or fish tank) can cause unavoidable damage due to the nature of that item.
- 11.5.6 **Not our Packaging/Packing.** Where packed goods have not been packed by Us or a Subcontractor, We will not be liable. This includes (but is not limited to) contents of cardboard boxes and other containers, as well as items that have been covered by protective (plastic) covers or shrink wrap by You.
- 11.5.7 **Our wrapping.** We will take off and dispose of the wrap and covers that We applied during the move at the end of the move. We will not be liable for any damages to these items if you decline this service.
- 11.5.8 **Dismantling and Re-Assembly of Goods.** Part of the Services may require the dismantling of Goods and their re-assembly. At Your request We may (at Our discretion) dismantle or re-assemble the Goods but accept no responsibility for any damage or loss occurring as a result. We do not guarantee reassembly of Goods upon delivery, and will charge You for the time it takes to dismantle or re-assemble any Goods, regardless of non-completion of re-assembly.
- 11.5.9 **Plumbing Fixtures.** Part of the removal may require the disconnection of plumbing fixtures (washing machines, dishwashers, fridges etc.) and their reconnection. At your request We may do so but accept no responsibility for any damage or loss occurring or resulting. We do not guarantee reconnection, and will charge for the time it takes regardless of non-completion.
- 11.5.10 **Electrical Goods.** We will not be liable if internal damage to electrical Goods occurs where we have caused no external damage.
- 11.5.11 **Awkward Access.** If You request Us to seek to move Goods (which include but are not limited to fridges, large cabinets, beds and couches) through Awkward Access conditions, and we choose to seek to move those Goods (notwithstanding our right under this Agreement to refuse to do so), then We will not be liable for any loss or damage to the Goods or to any other property as a result of seeking to move those Goods. You indemnify Us in relation to any such claim by a third party for loss or damage.
- 11.5.12 **Adverse/Wet Weather Conditions.** In addition to any other provision of this Agreement regarding unsuitable weather conditions, If We (removalists on site and Moveage Group Management) deem it safe for our employees to continue a move during adverse/wet weather conditions you can decide to wait for all adverse weather to pass or to continue with the move. If you continue with the move in order to reduce chargeable time we will not be liable for any damages to your items or general property as the risk is much higher than usual for damages to occur during adverse/wet weather conditions.
- 11.5.13 **Assistance by Customers.** We will not be liable in the event that You or any person associated with You ("Your associate") assist with any aspect of moving Goods and damage is caused to any Goods/ during assistance. Should You or Your associate assist with moving any Goods, You and Your associates do so entirely at Your own risk. You and Your associates do not assist with the move as Our employee, contractor, volunteer or otherwise. At all times You must, and must ensure that You and Your associates:
- Never enter the truck, step on the walkway or move items into the truck;
 - Adhere strictly to any instructions given by the removalists; and
 - Not participate in any team/multiple person lifts and stay clear of any hydraulic lifting, loading ramps at all times.
- You indemnify Us against any loss or damage which We may become liable for, including damage, death or injury, including loss or damage to Our equipment arising out of assistance provided by You or Your associates.
- A maximum of two customers (the same 2) for the entire move are allowed to assist with the move.
- 11.6 **Commercial Removals and Storage.** If the Services are required by You for the purposes of a business, trade, profession or occupation in which You are engaged, We will only be liable for the proportion to which the loss or damage to the Goods is caused by or contributed to by Our negligence (including the negligence of any Subcontractor, but excluding the negligence of any Third Party Provider), and in any event that liability will be limited to \$100 per item or package, or \$1,000 in respect of all Goods moved or stored under this Agreement (whichever is the lesser). We will not be liable for any loss or damage occurring in the course of the provision of Ancillary Services by a Third Party Provider, any loss or damage or any delay which results from any cause beyond Our control; loss or damage resulting from inadequate or improper packing or unpacking unless the Goods damaged or causing damage were both packed and unpacked by Us; loss or damage to jewellery, watches, money or negotiable instruments; or electrical or mechanical derangement to Goods and under no circumstances will We be responsible for any loss or damage involving the restoration or reconstruction of information or data or any item of so called consequential loss.
- 11.7 **Notification of Loss or Damage.** You must report any damage before completion. As the existing condition of the Goods are subject to verbal agreement You must inspect all the Goods as they are unloaded and/or relocated and any damage considered to have been caused by Us must be listed on the move documentation before signing. No claims will be accepted for any damage discovered after We have left the move except where We have pre-packed Your small items into boxes. Where this is the case, any damage to any items contained in the boxes packed by Us must be reported to Us within 48 hours of the completion of Our Services. Further, where such damage is discovered the broken goods are to be left as found and no further unpacking of the relevant container is to occur and We are to be immediately contacted.
- 11.8 **Repair Damage.** If we are liable under this Agreement or by law, We will repair damaged Goods to as near as possible to the condition prior to the damage occurring and these repairs will be arranged by Us by a qualified and reputable repairer. No responsibility is accepted for any other losses whatsoever including any consequential loss or loss of value as a result of the repairs.
- 11.9 **Option to Compensate.** In lieu of repairing Goods we have the option to compensate You to the value of the damaged Goods prior to the damage occurring, this means what the item would have been worth on the market on the day of the move prior to the damage occurring. The Moveage Group Policy is not a New for Old Policy and it cannot take sentimental value into account. Please take this into account when considering if you should take out your own policy as new for old policies are available to the public. If that value cannot be agreed on between Us and You, it shall be assessed by an independent valuer chosen between Us and You and if we cannot agree, chosen by the president for the time being of the Law Institute of Queensland (or any replacement body). The cost of the valuer shall be borne by the party whose value differs most from the valuer's.
- 11.10 **Vehicle Damaged.** In the event that damage to Goods arises from the transport vehicle being damaged by flood, fire, collision or overturning and We are compensated by Our insurer for the damage to Your Goods, Your compensation will be limited by the amount of Our insurance payment.

- 11.11 **Sets.** Where an item is part of a pair, set, suite or collection of items, repair or compensation shall extend only to the proportionate part of the pair, set, suite or collection of items, regardless of any special value the damaged or lost part may have as part of such pair, set, suite or collection of items.

12 Liability for Loss or Damage Other than Goods

- 12.1 Because Third Party Providers or others are frequently present at the time of collection or delivery it is not always possible to establish who was responsible for loss or damage. Therefore Our liability is limited as follows:
- 12.1.1 If We cause loss or damage to premises or property other than Goods for removal as a result of Our negligence or breach of contract, Our liability shall be limited to making good the damaged area only; and
- 12.1.2 If We cause damage as a result of moving Goods under Your express instruction, against Our advice, and where moving the Goods in the manner instructed is likely to cause damage, We shall not be liable.

13 Insurance

- 13.1 The onus is on You to obtain adequate insurances to cover loss or damage to Your goods.
- 13.2 If We, in discharge of any liability, make payment of any amount to You in respect of loss of, damage to, or delay in delivery of the Goods, you hereby assign to Us all rights which You have under any policy of insurance to recover that amount and You hereby appoint Us as your attorney with full power in Your name to claim and recover that amount and You will execute all documents and provide all information as may be necessary to enable us to obtain the full benefit of this clause.

14 Staff Abuse

Verbal or threatening behaviour towards any of Our employees will not be tolerated and will constitute a material breach of this Agreement. We reserve the right to refuse to or cease providing Our Services at any time in such a circumstance. If We are forced to leave the job and cease providing Services because of verbal or any other abuse from You, You will still be liable to pay for all Services rendered up to the time of cessation (which is subject to the minimum charges set out in this Agreement).

15 Disputes

- 15.1 **Notification of Dispute.** If You or We consider that a dispute has arisen in relation to this Agreement (either during the Services, or after they have been completed), written notice of the dispute will be given to the other party. Even if that notice is given, You and We must continue to perform any obligations outstanding by Us under the agreement.
- 15.2 **Dispute Resolution.** If You and We cannot resolve the dispute between Us, You are entitled to refer the dispute to the Australian Furniture Removers Association (telephone 1800 671 806) which has procedures for dispute resolution, and We, but not You, will be bound by the outcome of that referral.

16 Variation and Notice

- 16.1 **Variation.** This Agreement cannot be varied other than by Your and Our mutual consent in writing. Our consent can only be given by a director.
- 16.2 **Notice.** Any notice to be given by Us to You may be given personally or by prepaid post addressed to Your address last known to Us, or by electronic mail.
- 16.3 **Applicable Law.** The law which governs this Agreement will be the law applicable in Queensland.

TERMS AND CONDITIONS of AGREEMENT FOR MOBILE STORAGE

THE AGREEMENT

- The Storer and the Facility Owner ("FO") agree that the Agreement is entirely contained within this document, the Privacy Documents, Schedule of Costs and non-excludable guarantees under consumer protection laws or any non-excludable legislative requirements.
- The Storer may store items ("Goods") in the Mobile Storage Unit ("Storage Unit") allocated by the FO pursuant to the terms and conditions in this Agreement:
 - The Storer is deemed to have knowledge of the Goods in the Storage Unit;
 - The Storer warrants that they are the owner of the Goods in the Storage Unit and/or are entitled at law to deal with the Goods in accordance with all aspects of this Agreement;
 - The Storer warrants that they have a proprietary interest in the Storer's Premises where the Storage Unit is to be delivered and located.
- The FO:
 - does not have, and will not be deemed to have, knowledge of the Goods;
 - is not a bailee nor a warehouseman of the Goods nor a lessor of the Storage Unit and the Storer acknowledges that as the FO has no means of accessing the Storage Unit without using force and the FO does not take possession of the Goods in the Storage Unit whilst onsite at the Storage Facility ("Facility"), offsite or in transit.

DELIVERY OF STORAGE UNIT

- On and from the Commencement Date and at the Storer's own expense the Storer shall make written requests to the FO for the delivery and pick up of the Storage Unit to and from the Storer's designated Premises ("Premises") at times agreed to by the FO and the Storer. **The Storer or a nominated Agent of the Storer** is required to be present at the time of delivery and pick up. A failure to do so will render the Storer liable for any costs arising from this failure to be present at the time of delivery and pick up (see cl 14). In the unlikely event that the FO is not able to deliver or pick up the Storage Unit at the agreed time, the FO will contact the Storer. The FO, however, will not be liable for any delay, loss, or damage resulting from delay in delivery or pick up by the FO. All pick-ups and deliveries are subject to the Facility's distance, fees and weight limits applicable to the Storage Unit as outlined in the Schedule of Costs.
- FO inspection of the Storage Unit:** The Storer agrees to inspect the Storage Unit before executing this Agreement, to ensure that the Storer is satisfied with the condition, quality, safety and (where applicable) roadworthiness of the Storage Unit, its fitness for the Storer's purposes and its compliance with description. The Storer agrees that it is the Storer's responsibility to determine whether the Storage Unit is suitable for intended storage needs and on taking delivery of the Storage Unit, they will accept the Storage Unit in the manner in which they inspected it, including with any known faults and defects (if any) (subject to any rights and remedies of the Storer, including those under the Consumer Guarantees in Australian Consumer Law.)
- Written acknowledgement of acceptance:** The Storer will give the FO a written acceptance of the Storage Unit. The delivery of such an acceptance to the FO will constitute acceptance of the Storage Unit by the Storer for the purposes of this Agreement. The acceptance does not affect any rights the Storer has to terminate in accordance with the terms of this Agreement or seek a remedy under the Consumer Guarantees.

DEFAULT ACTION AND RIGHT TO TRESPASS

- Notwithstanding cl 3, and subject to cl 35, the Storer agrees that, in the event of any Storage Fees, or any other moneys owing under this Agreement, not being paid in full within 42 days of the due date, the FO may, after giving reasonable prior notice, either:
 - enter the Storage Unit, by force or otherwise and take possession of the Goods inside the Storage Unit, where the Storage Unit is physically located at the Facility or;
 - where the Storage Unit is not physically located at the Facility, enter upon or onto the Storer's Premises by trespass where the Storage Unit is being stored and may break open any gate, door or fastening and detach or dismantle the Storage Unit from any part of the Premises to which the Storage Unit has been affixed and retake the Storage Unit, then enter the Storage Unit by force or otherwise and take possession of any Goods inside the Storage Unit.
- Where Storage Fees are 42 days overdue (a) The Storer consents to the FO retaining the Deposit and/or dumping at the Storer's Premises, selling or disposing of any Goods in the Storage Unit on such terms as the FO may determine ("Default Action"). The FO will provide Notice to the Storer prior to undertaking such activities.
 - At least 14 days before the FO can take any Default Action the FO will provide the Storer with Notice that the Storer is in Default. The FO will provide the Storer with reasonable time to rectify the Default before any Default Action is taken.
 - The FO may also require payment of Default Action costs, including costs associated with accessing the Storer's Storage Unit and disposing or selling of the Storer's Goods. Any excess funds will be returned to the Storer as soon as reasonably practicable of the sale of any goods. In the event that the Storer cannot be located, excess funds will be dealt with in accordance with various State and Territory Unclaimed Monies/Goods Act. In the event that the Storer has more than one Storage Unit licenced with the FO, default on either Storage Unit authorises the FO to take Default Action against all Storage Units licenced.
 - For the purposes of the Personal Property Securities Act 2009, the FO is deemed to be in possession of the items from the moment the FO accesses the Storage Unit.
 - If the FO reasonably believes it is a health and safety risk to conduct an inventory of Goods in the Storage Unit, subject to the FO providing the Storer with reasonable prior notice of its intention to do so, the FO may dispose of some or all of the Goods without undertaking an inventory. Further, due to the inherent health and safety risks in relation to undertaking any sale or disposal of Goods whereby the FO must handle the Storer's Goods, the FO need not open or empty bags or boxes to undertake an inventory or assess the contents therein, and may elect to instead dispose of all bagged and/or boxed items without opening them.

OWNERSHIP OF STORAGE UNIT

- The FO retains title to the Storage Unit;** The FO retains full title to the Storage Unit notwithstanding:
 - the delivery of the Storage Unit to the Storer's Premises;
 - the use of the Storage Unit by the Storer; and
 - any temporary attachment of the Storage Unit to any land or buildings to facilitate use of the Storage Unit, where the Storage Unit is physically located at the Storer's property with a right only to use the Storage Unit in accordance with, and under, this Agreement.
 - The Storer does not have any right or option to purchase or sell the Storage Unit.
- Notifying third parties:** The Storer must help protect the FO's interest in the Storage Unit, including making clear to others that the FO is the owner of the Storage Unit. The Storer must not place, or allow to be placed, on the Storage Unit any plates or marks that are inconsistent with the FO's ownership. If requested by the FO, the Storer must put plates on the Storage Unit that state that the FO owns the Storage Unit.

LOCATION OF STORAGE UNIT

- No unauthorised removal from location:** Except during transit between these two locations, the Storage Unit must at all times be either:
 - located at the Storer's Premises, or
 - located at the Facility.
- Where the Storage Unit is movable, the Storer must not remove the Storage Unit from the Premises where it has

been delivered by the FO without the FO's prior written consent.

12. FO's rights must prevail: If the Storage Unit has become affixed to any land or premises in a manner that the FO reasonably considers has prejudiced or jeopardised (or may do so) the FO's rights in, or title to, the Storage Unit, the Storer must take such action as the FO reasonably requires to preserve the FO's rights in, and title to, the Storage Unit at the Storer's own cost.

RENT AND OTHER PAYMENTS

- The Storer must upon signing the Agreement, pay to the FO:**
 - the Deposit (which will be refunded within 30 days of termination of this Agreement in accordance with these terms) and/or
 - the Administration Fee.
- The Storer is responsible to pay all fees set out in the Schedule of Costs including but not limited to:
 - the Storage Fee being the amount indicated in this Agreement. The FO may increase the Storage Fee from time to time provided that the initial 'Agreement Period' as indicated on the front of this Agreement has expired and the FO gives the Storer 6 weeks' prior written notice of the intended increase. In the event of a Storage Fee increase, the Storer is entitled to terminate the Agreement without penalty for exercising early termination, provided the Storer does so before the Storage Fee increase takes effect. The Storage Fee is payable in advance and it is the Storer's responsibility to make payment directly to the FO on time, and in full, throughout the period of the Agreement. Any Storage Fees paid by direct deposit/direct credit ("Direct Payment") will not be credited to Storer's account unless the Storer identifies the Direct Payment clearly and as reasonably directed by the FO. The Storer indemnifies the FO from any claim for enforcement of the Agreement, including the sale or disposal of the Storage Unit, due to the Storer's material failure to correctly identify a Direct Payment;
 - the Cleaning Fee, as indicated in the Schedule of Costs, payable at the FO's reasonable discretion;
 - a Delivery Fee/Pick up Fee as referred to in the Schedule of Costs which is subject to the Facility's distance, fees and weight limits applicable to the Storage Unit as also outlined in the Schedule of Costs;
 - the Late Payment Fee, as indicated in the Schedule of Costs;
 - a No Show Fee, where the Storer gives an Access Notice or Redelivery Notice in accordance with clause 17 and is not in attendance at the time and date set in the Access Notice and/or Redelivery Notice. Where this is a final Access Notice ('Termination pick up') the Storage Fees will also continue to apply until the Storage Unit can be collected
 - a Booking Fee, which will be forfeited by the Storer in circumstances where the Storer fails to accept the Storage Unit in accordance with cl 4, and such a failure is not attributable to negligence of the FO or breach by the FO of this Agreement or any law. Otherwise the Booking Fee will be credited towards the first month's Storage Fees; and
 - any reasonable costs incurred by the FO in collecting late or unpaid Storage Fees, or in enforcing this Agreement in any way, including but not limited to postal, telephone, debt collection, personnel and/or the Default Action costs.
- The Storer will be responsible for payment of any government taxes or charges (including any goods and services tax, council fees and council permits) being levied on this Agreement, or any supplies pursuant to this Agreement.

- Condition of Storage Unit:** The Storer:
 - must not store any Goods that are hazardous, illegal, stolen, inflammable, explosive, environmentally harmful, perishable or that are a risk to the property of any person;
 - will use the Storage Unit solely for the purpose of storage and shall not carry on any business or other activity in the Storage Unit;
 - must not attach nails, screws etc. to any part of the Storage Unit;
 - cannot assign this Agreement; and
 - must give Notice of the change of address, phone numbers or email address of the Storer or the Alternate Contact Person ("ACP") within 48 hours of any change.
- The Storer must give the FO an Access Notice and/or Pick-up/Delivery Notice five (5) working days' prior to access being required in order to gain Access to the Storage Unit at the Facility or to have the Storage Unit picked-up from their Premises or delivered to their Premises. Failure to be present after giving Access Notice will attract a No Show fee as indicated on the front of the Agreement. Short Notice Access may be negotiated on terms that are reasonably acceptable to the FO and Storer.
- Maintenance:** The Storer must when the Storage Unit is at the Storer's Premises keep and maintain the Storage Unit properly serviced, in proper working order and condition and in good and substantial repair. The FO will make due allowance for normal wear and tear but the Storage Unit must at all times be capable of being operated fully and efficiently for the purpose, and to the capacity, for which such Storage Units are ordinarily intended.
 - The Storer will be fully responsible to the FO for any loss of or damage to the Storage Unit (however occasioned) when the Storage Unit is at the Storer's Premises. The Storer must give notice to the FO in writing as soon as reasonably practicable after they become aware that damage has occurred, but not more than 48 hours after they become aware of any such loss or damage of a substantial or material nature/in excess of normal wear and tear.
- Use of Storage Unit:** The Storer must only operate and maintain the Storage Unit for the purposes and in the manner the FO has specified and in accordance with recognised methods and standards for Storage Units of their type and not use (or allow any other persons to use) the Storage Unit in a way which would break laws or harm people or property. The Storer must comply in all respects with the instructions and recommendations of the manufacturer, supplier or FO relating to the Storage Unit and to their use, in particular where any failure in compliance would limit the obligations of the supplier or manufacturer to the FO or the Storer under any statute, agreement or otherwise.
- Inspection of Storage Unit by FO:** The Storer grants the FO the right, and will use its best endeavours to ensure that others grant the FO the right, at all reasonable times upon the FO giving the Storer reasonable prior notice and without unduly interfering with the Storer's operations, to:
 - enter with its employees, agents and experts upon or into the Premises;
 - inspect the state of repair of the Storage Unit;
 - carry out such tests or maintenance on the Storage Unit as may seem reasonably necessary to the FO;
 - observe the use of the Storage Unit;
 - do any act, matter or thing which may be required to be done to give proper effect to the terms of this Agreement or to protect the FO's rights in the Storage Unit.
- In the case of an emergency, no notice will be required to be given by the FO to the Storer under this clause and the prohibition in that clause on the FO unduly interfering with the Storer's operations will not apply.
- Where the FO becomes aware that minor damage, alteration or affixation has occurred to the Storage Unit beyond normal wear and tear the FO will give the Storer a written notice requiring the rectification of the damage, alteration or affixation of the Storage Unit within seven (7) days in accordance with the terms of this Agreement see cl 25.
 - Where the damage, alteration or affixation is deemed major in the reasonable opinion of the FO, such as would stop someone else from licencing the Storage Unit in future, makes the Storage Unit unsafe etc. the Storer will be required to purchase the Storage Unit at its commercial value. Commercial Value will be calculated as being the replacement value of the Storage Unit less a reasonable deduction allowing for the age of the Storage Unit.
- Storage Unit as fixtures to land:** The Storer must not at any time or from time to time attach, affix or secure the Storage Unit upon or to any Premises unless their use so requires and the prior written consent of the FO has been obtained in relation to that Premises. It is the Storer's sole responsibility to ensure that the Premises of the Storage Unit does not breach any laws or the rights of any person. The Storer must not direct the FO to unload the Storage Unit to a Premises which would not comply with this clause.
 - Without limiting the generality of this clause, it is agreed as follows:
 - If the Premises is owned by the Storer the Storage Unit(s) are deemed not to be fixtures. In those circumstances:
 - the Storage Unit may be removed by the FO providing reasonable prior notice to the Storer in accordance with the provisions of this Agreement;
 - the FO will be entitled to enter upon the Premises providing reasonable prior notice to the Storer for the purpose

of removing the Storage Unit in accordance with the provisions of this Agreement and will not be liable in respect of loss or damage arising from such entry or from the removal of the Storage Unit; and

(ii) if the Premises is to become the subject of a mortgage or charge then, before the Storer gives the mortgage or charge, the Storer must, without any request from the FO, obtain the written acknowledgment of the proposed mortgagee or chargee (as the case may be) that, first, the Storage Unit(s) are not fixtures for the purposes of the proposed mortgage or charge, secondly, that the mortgagee or chargee will not make any claim in relation to the Storage Unit(s) and, thirdly, that the mortgagee or chargee will permit the FO, (whether or not there has been any default under the proposed mortgage or charge) to enter upon the land or premises and to remove the Storage Unit(s).

(c) Prior to the Storage Unit becoming attached, affixed or secured to a Premises which is not owned by the Storer, the Storer must obtain the written consent of the owner of the land or premises to the entry by the FO and the removal of the Storage Unit. As between FO and the Storer the FO will have the same rights of entry and removal as set out in cl 7.

23. Name plates and identification of Storage Unit: The Storer must not without the FO's prior written consent, remove, change, alter or deface any name, name plate, identification number, trademark or any other identifying mark or number on the Storage Unit, except so as to indicate any replacement, alteration or addition.

25. No dealings with Storage Unit: The Storer must not without the FO's prior written consent:

(a) agree, attempt, offer or purport to sell, assign, sublet, lend, pledge, mortgage, let on hire, grant a security interest in, allow any lien or other encumbrance to arise in, or otherwise part with or attempt to part with the personal possession of or otherwise deal with, the Storage Unit or any part of the Storage Unit except:

(i) a repairer's lien, in which case the Storer must take the necessary steps to have the lien removed or satisfied immediately and, in any event, immediately upon demand by the FO; and

(ii) such interest as may arise by operation of law in respect of unpaid rates, taxes, fees or duties of any kind whatsoever, in which case the Storer must immediately pay the same as provided in this Agreement so that the Storage Unit will be free of that interest, provided that where the FO elects to satisfy the interest at the FO's cost the Storer must on demand reimburse the FO the amount paid and any incidental costs and expenses; or

(b) conceal or alter the Storage Unit or make any addition to the Storage Unit except as required by law.

COMPLIANCE WITH SAFETY RULES

26. The Storer must comply in all respects with all applicable laws, regulations, requirements and rules reasonably necessary for the safe and lawful operation of the Storage Unit.

(a) If any additional or other equipment, appliance, part, instrument, appurtenance, accessory, replacement or alteration is required to be acquired, incorporated or installed in, or attached or made to, the Storage Unit in order to comply with applicable laws, regulations, requirements or rules the Storer agrees to acquire, incorporate, install, attach or make such addition, equipment, appliance, part, instrument, appurtenance, accessory, replacement or alteration forthwith upon becoming aware of the requirement, but will first obtain the FO's prior written consent to do so, or upon demand by the FO. Any such additional or other equipment, appliance, part, instrument, appurtenance, accessory, replacement or alteration will be at the FO's cost and, unless otherwise agreed in writing by the FO, without any further act of the FO and the Storer or either of them, become the property of the FO and be considered part of the Storage Unit for all purposes of this Agreement. Where a Storer requests an alteration to a Storage Unit and the FO agrees to such request, any such changes will be at the Storer's sole cost and (subject to fair wear and tear) the Storer must return the Storage Unit in the condition in which it received it, unless otherwise agreed in writing by the parties.

RISK AND RESPONSIBILITY

27. The FO's goods and services come with non-excludable guarantees under the Australian Consumer Law, including that Goods are of acceptable quality and that services will be provided with due care and skill. Nothing in this Agreement is intended to restrict or limit any rights a Storer may have under these laws. Otherwise, to the extent permitted by law, the Goods are stored at the sole risk and responsibility of the Storer who shall bear responsibility for any and all theft, damage to, and deterioration of the Goods, shall bear the risk and any and all damages caused by flood or fire or leakage or overflow of water, mildew, mould, heat, spillage of material from any other Storage Unit, removal or delivery of the Goods, pest or vermin or any other reason whatsoever.

28. Where loss, damage or injury is caused by the Storer, the Storer's actions or the Storer's Goods, the Storer agrees to indemnify and keep indemnified the FO from all claims for any loss of or damage to the property of, or personal injury to or death of the Storer, the Facility, the FO or third parties resulting from or incidental to the use of the Space by the Storer, including but not limited to the storage of Goods in the Space, the Goods themselves and/or accessing the Facility.

29. Certain laws may apply to the storage of goods including criminal, bankruptcy, liquidation and others. The Storer acknowledges and agrees to comply with all relevant laws, including Acts and Ordinances, Regulations, By-laws, and Orders, as are or may be applicable to the use of the Space. This includes laws relating to the material which is stored, and the manner in which it is stored. Such liability and responsibility rests with the Storer, and includes any and all costs resulting from such a breach.

30. If the FO reasonably believes that the Storer is not complying with any relevant laws the FO may take any action as it reasonably believes to be necessary, including the action outlined in clauses 20 & 7, trespassing in order to access the Storage Unit, contacting, cooperating with and/or submitting Goods to the relevant authorities, and/or immediately disposing of or removing the Goods at the Storer's expense, including where in the FO's reasonable opinion the Storer is engaging in illegal activity in relation to the storage of the Goods. No failure or delay by the FO to exercise its rights under this Agreement will operate to waive those rights.

31. Indemnity against other costs and liabilities: Except where caused by breach by the FO of this Agreement or negligence on the part of the FO, the Storer assumes liability for, and indemnifies and will keep indemnified, the FO and its agents and employees from and against any and all injuries, actions, proceedings, claims, demands, liabilities, losses, damages, costs, penalties and all expenses legal or otherwise (including court costs and legal fees reasonably incurred) and of whatsoever kind and nature (including claims based in tort):

(a) arising out of or alleged to arise out of the delivery, installation, location, ownership, possession, use (including by reason of the use or incorporation of any invention resulting in infringements of patents), repair, maintenance, storage, or operation of the Storage Unit, and by whomsoever used or operated (except where used by the FO or any person on behalf of the FO); or

(b) incurred by the FO in respect of any loss of the Storage Unit by seizure, distress, execution or other legal process, confiscation or forfeiture of the Storage Unit; or

(c) arising out of any claim for patent, trademark or copyright infringement, for strict liability, or for any other reason being made against the FO in connection with the Storage Unit or their operation.

INSURANCE

32. The Storer warrants that it will not store property which is irreplaceable, such as currency, jewellery, furs, deeds, paintings, curios, works of art, or items of personal sentimental value or that are worth more than \$2,000 (in aggregate) unless specifically itemised and covered specifically by insurance.

TERMINATION

33. Subject to the either party's right to terminate for breach of the Agreement under Contract Law, once the initial fixed Agreement Period as indicated on the front of the Agreement has ended, either party may terminate this Agreement by giving the other party Notice of the Termination Date in accordance with the period indicated on the

front of this Agreement.

(a) In the event of any activities reasonably considered by the FO to be illegal, environmentally harmful, or a material contravention of this Agreement on the part of the Storer, the FO will notify the Storer and the Storer will have 3 Business Days to provide evidence to the FO that its activities are not in breach of the Agreement, or otherwise unlawful. If the Storer fails to provide evidence to the FO's satisfaction, the FO, acting reasonably, may terminate the Agreement with Notice within the initial fixed period. Where the FO suspects that there may be danger to person or property, the FO may contact relevant authorities and terminate the Agreement without prior Notice within the initial fixed period.

(b) The FO is entitled to retain or charge apportioned Storage Fees if less than the requisite Notice is given by the Storer and the FO is not able to licence out the Storage Unit during this time. The Storer must remove all items from the Storage Unit before the Storage Unit is due to be picked-up at the Storer's Premises or re-possessed at the Facility and leave the Storage Unit in a clean condition and in a good state of repair to the satisfaction of the FO.

(c) Where the Storage Unit requires pick up, the FO will pick up the Storage Unit at the time and date given to the Storer by the FO. The Storer authorises the FO to enter upon the Storer's Premises in order to repossess the Storage Unit with prior Notice. If after such Notice has been provided and the FO has used reasonable efforts to contact the Storer and the Storer is not onsite for this pick up then the FO and its employees and agents may, without liability or legal process, enter upon or onto the Premises and may break open any gate, door or fastening and detach or dismantle the Storage Unit from any part of the Premises to which the Storage Unit has been affixed.

(d) In the event that Goods are left in the Storage Unit after the Termination Date, cl 35 will apply.

(e) The Storer must pay any outstanding Storage Fees and any expenses on default or any other moneys owed to the FO up to the Termination Date, or cl 7 may apply. Any calculation of the outstanding fees will be by the FO, acting reasonably.

(f) Where the Storer fails to return the Storage Unit to the FO after 8 weeks of termination of this Agreement by either party and subject to the terms of this Agreement, the Storer must pay to the FO the commercial cost of replacing the Storage Unit. The FO will give 14 days' notice to the Storer before imposition of this cost. The commercial cost will be calculated as being the replacement value of the Storage Unit less a reasonable deduction allowing for the age of the Storage Unit.

34. The Parties' liability for outstanding moneys, property damage, personal injury, environmental damage and legal responsibility under this Agreement survive the termination of this Agreement.

RIGHT TO DISPOSE

35. Upon termination of this Agreement by either the Storer or the FO, the Storer is required to empty any and all Goods in the Storage Unit prior to the Storage Unit being removed from the Storer's Premises. Where any items are left in the Storage Unit and are not subject to default action under cl 7, the Storer authorises the FO to remove any remaining items and leave them at the Premises where the Storage Unit was collected. The FO will provide Notice to the Storer prior to undertaking such activities. If after such Notice has been provided and the FO has used reasonable efforts to contact the Storer, the Storer waives liability for any loss, damage, and theft that arises as a result of the items being left at the Premises. Where the goods are brought back to the Facility, the FO must give the Storer 7 days' Notice before disposing of the goods left in the Storage Unit. Further, where the FO reasonably believes that the Storer is unwilling or unable to remove Goods from the Space upon termination or default of the Agreement, despite reasonable notice under these terms, the FO may allow the ACP to remove the Goods on such terms as agreed between the FO and the ACP without the need for further consent from the Storer.

SEVERANCE

36. If any clause, term or provision of this Agreement is legally unenforceable or is made inapplicable, or in its application would breach any law, that clause, term or provision shall be severed or read down, but so as to maintain (as far as possible) all other terms of the Agreement.

EXTENSION OF AGREEMENT

37. Where the Storer continues to use the Storage Unit after the expiration or termination of this Agreement, the Storer must (without prejudice to the exercise by the FO of its rights, powers and remedies under this Agreement) continue to pay Storage Fees at the Facility's current commercial rate. All other terms and conditions set out in this Agreement will continue to apply to the licence of the Storage Unit.

NOTICE

38. Notice will usually be given by email or SMS, or otherwise will be left at, or posted to, or faxed to the address of the Storer. In relation to the giving of Notice by the Storer to the FO, Notice must be in writing and actually be received to be valid, and the FO may specify a required method. In the event of not being able to contact the Storer, Notice is deemed to have been given to the Storer by the FO if the FO has sent Notice to the last notified address or has sent Notice via any other contact method, including by SMS or email to the Storer or the ACP without any electronic 'bounce back' or similar notification. In the event that there is more than one Storer, Notice to or by any single Storer is agreed to be sufficient for the purposes of any Notice requirement under this Agreement

PPSR (PERSONAL PROPERTIES SECURITIES REGISTER)

39. Contracting Out of PPSA Enforcement: If Chapter 4 of the PPSA does apply to the enforcement of a Security Interest arising under or in connection with this Agreement, the Storer agrees the following provisions of the PPSA will not apply to the enforcement of that Security Interest:

(i) section 95 (notice of removal of accession), to the extent that it requires the FO to give the Storer a notice;

(ii) section 96 (when a person with an interest in the whole may retain accession);

(iii) subsection 121(4) (enforcement of liquid assets – notice to grantor);

(iv) section 125 (obligation to dispose of or retain collateral);

(v) section 130 (notice of disposal), to the extent that it requires the FO to give the Storer a notice;

(vi) paragraph 132(3)(d) (contents of statement of account after disposal);

(vii) subsection 132(4) (statement of account if no disposal);

(viii) section 142 (redemption of collateral);

(ix) section 143 (reinstatement of security agreement).

This clause does not apply where the Storer is using the Goods predominantly for personal, domestic or household purposes.

40. Controllers: Where a person is a controller in relation to the Storage Unit, the parties agree that Part 4 of the PPSA will not apply to the enforcement of any Security Interest in the Storage Unit by that controller.

41. PPSA Notices: Notices or documents required or permitted to be given to the FO for the purposes of the PPSA must be given in accordance with the PPSA.

42. Registration on PPSR: The Storer consents to the FO effecting a registration on the PPSR (in any manner the FO considers appropriate) in relation to any Security Interest arising under or in connection with this Agreement and the Storer agrees to provide all assistance reasonably required by the FO to facilitate this.

43. Verification Certificate: The Storer waives its right to receive any notice under the PPSA (including notice of a verification statement) unless the notice is required by the PPSA and cannot be excluded.

44. Proceeds and Security Agreement: The Storer acknowledges that if the FO's interest under this Agreement is a Security Interest for the purposes of the PPSA: that Security Interest relates to the Goods and all Proceeds of any kind; and this Agreement is a security agreement for the purposes of the PPSA.
